

26th Annual Beat the Odds® Celebration Event Volunteer Form

The Children's Defense Fund Beat the Odds® program honors outstanding high schools students who have overcome tremendous adversity, demonstrated academic excellence and given back to their communities. Started in 1990, the program identifies and rewards young people who have experienced significant hardship in their lives and supports and trains them to become future leaders in adulthood. Children's Defense Fund-Minnesota holds this high-profile awards event to send a clear signal that someone does care and understand what it takes to stay in school and do well while coping with adversity in their personal lives.
