Children's Mental Health Screening Grants	4,500 children per year	-\$3.8 million
Children's Mental Health Capacity Evidence Based Practices Grants	--	-\$750,000
Children's Mental Health Cultural Competence Provider Capacity Grants	175 children per year	-\$300,000
FAMILY ASSISTANCE		
Home Visiting Grants	13,650 children and parents per year	-\$7 million in TANF funds
Adult Mental Health Grants	--	-\$14 million
WORK SUPPORTS		
Minnesota Family Investment Program (MFIP) Supplemental Security Income (SSI) Penalty	6,400 families per year	-\$4.1 million
MFIP Consolidated Fund	--	-\$20 million
Child Care Assistance Program 5% Reimbursement Rate Cut - All Providers	18,000 families per year	-\$13.7 million
Child Care Assistance Program 16% Reimbursement Rate Cut - FFN Providers	4,000 families per year	-\$6.7 million

¹ This table assumes that the number of children served remains constant based on data available from the most recent year. Some children and families may be affected by cuts to multiple programs.

² The biennial impact is likely double the estimated number of impacted children and families depending on the average length of stay in the program.

³ CCSA grants serve 435,000 Minnesotans each year. Over 70% of CCSA grant funds are utilized to protect children and provide mental health services for uninsured and underinsured children.

Proposal	Estimated Number of Children and Families Impacted in FY 2012-13	Amount FY 2012-13
